About SkillsUSA Direct Membership

Individual (direct) membership is for students on a college or postsecondary campus who do not have any faculty support for a SkillsUSA chapter. This model allows a student to be a member of SkillsUSA, participate in programs and and also to compete in the SkillsUSA championships. Communication will be direct to state and national offices. Students who join SkillsUSA by direct membership are not eligible for national officer candidacy or state delegate representation. Direct membership must be approved by state offices on a case-by-case basis.
